

## **Call for Panels and Abstracts 3<sup>rd</sup> Africa in Transition Conference 2026**

**October 8-10, 2026**

**Accra, Ghana**

### **Theme for 2026: Fostering Transformation of Global Africa through Education, Investment, Innovation, and Partnerships**

The third **Africa in Transition (AIT) Conference and Trade Show** will highlight how global Africa is being impacted by changes in education, investment, innovation, and partnerships. The conference presentations should focus on both advances and gaps, as well as opportunities in these areas. The conference is open to scholars in all disciplines as well as persons from the private, public, and NGO sectors.

Submit abstract and panels focusing on one or more of the following themes:

- Science and technology
- Leadership
- Education and training
- Economic development
- Governance, politics, and diplomacy
- Social development
- Environmental change
- The Orange economy
- The Blue Economy
- Travel and tourism
- Human resource development
- Air travel
- Peace Management

**Panels** should focus on one of the listed themes and include the paper titles and names of authors. The abstracts for the panels should be submitted along with the title of the panel.

**Abstracts** should focus on one of the major themes/topics of the Conference and be no more than 250 words. If your submission has multiple authors, be sure to indicate who is to be the corresponding author. You **MUST** indicate the panel of your choice as part of the submission process.

**Submit** your abstract to: **Conference Chair** at (email: aitconference2026@gmail.com)

**Deadline** for submissions is March 30, 2026.
